COINER'S DEPARTMENT.

November 11<sup>th</sup>, 1883.

Hon. A. Lincoln Snowden,

Superintendent.

Sir:

I have the honor to transmit herewith a requisition for One (1) dozen Adjusting Scales. These scales are badly needed now for the work required by the department, as there are at least six (6) of the scales so used up as to be beyond repairing, and an equal number requiring constant patching up.

The Adjuster of Weights and Scale, reports that he cannot supply correct scales for all the adjusters out of the stock on hand.

Very Respectfully Yours

W. B. Burby, Collector
